Information disclosure

The administration does not sell the user's personal data and does not transfer it to third parties without the user's consent. The following describes some cases of transfer of user personal information:

- for the unhindered provision of services by third parties with the user's permission - in cases where this is required by intelligence agencies or if required by law

Use of information

We use the personalized information of a specific website visitor solely to ensure high-quality provision of services and their accounting. We do not disclose personally identifiable information from one URL site visitor to another site visitor. We never publish personalized information in the public domain and do not transfer it to third parties. The only exceptions are situations when the provision of such information to authorized government bodies is prescribed by the current legislation of the Russian Federation. We only publish and distribute reports based on anonymous data collected. However, the reports do not contain information that would make it possible to identify the personalized data of service users. We also use anonymous data for internal analysis to develop URL products and services

Links

The website pythontopschool.com may contain links to other websites that are not affiliated with our company and belong to third parties. We are not responsible for the accuracy, completeness or reliability of information posted on third party sites and do not undertake any obligation to maintain the confidentiality of information you provide on such sites.

Disclaimer

We do our best to comply with this privacy policy, however, we cannot guarantee the safety of information in the event of exposure to factors beyond our control that result in the disclosure of information. The website pythontopschool.com and all information contained therein are provided "as is" without warranty of any kind. We are not responsible for adverse consequences, as well as for any losses caused as a result of restricting access to the URL site or as a result of visiting the site and using the information posted on it.

Conditions for the transfer and processing of personal data

- *Conditions for the processing of personal data (hereinafter referred to as the Conditions) govern the legal relationship regarding the processing of personal data between the company IP MAKAROV DANIIL VYACHESLAVOVYCH (Taxpayer Identification Number (INN) 665899735727, Primary State Registration Number (OGRNIP): 322665800006464 , Business address: Sverdlovsk region, Ekaterinburg, st. Krasnolesya 127, apt. 5) (hereinafter referred to as pythontopschool or the Administration) (hereinafter referred to as the Advertising Distributor) and the Client (a legally competent individual who has reached the age of 18 and wishes to receive advertising and information mailings by email). Personal data means any information relating to directly or indirectly determined or determined to an individual (citizen). The processing of personal data means any action (operation) or set of actions (operations) with personal data performed using automation tools or without the use of such means. Such actions (operations) include: collection, receipt, recording, systematization, accumulation, storage, clarification (updating, changing), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion, destruction of personal data .*
- *The Client agrees to these Terms by entering his email address in a special field on the pop-up window asking him to subscribe to the newsletter, and then clicking the "Subscribe" button ("Subscribe to newsletter"*

"Register"). By performing these actions, the Client sends his email address to the Advertising Distributor for the purpose of further advertising and information mailings via email.

- *By providing his personal data, the Client agrees to their processing (up to the Client's withdrawal of his consent to the processing of personal data) by the company IP MAKAROV DANIIL VYACHESLAVOVYCH (Taxpayer Identification Number (INN) 665899735727, Primary State Registration Number*

(OGRNIP): 322665800006464 , Business address: Sverdlovsk region, Ekaterinburg, st. Krasnolesya 127, apt. 5) (*hereinafter referred to as pythontopschool or the Administration*), for the purpose of providing the Client with advertising and reference information and for other purposes in accordance with clause 4 of the Terms. When processing personal data, the Advertising Distributor is guided by the Federal Law "On Personal Data", the Federal Law "On Advertising" and local regulatory documents.

If the Client wishes to clarify personal data in the event that personal data is incomplete, inaccurate or irrelevant, or wishes to withdraw his consent to the processing of personal data, the Client must send an official request to the Advertising Distributor in the following order: a letter with the subject "Clarify personal data" or "Stop processing personal data" to the email address filatpirat@gmail.com The letter must indicate the email address and the corresponding requirement.

When withdrawing consent to the processing of personal data, the Client also refuses to receive advertising and information mailings.

- The Advertising Distributor uses the data provided by the Client for the purposes of:
 - Sending messages of advertising and informational nature;
 - to carry out activities to promote goods and services;
 - assessment and analysis of the operation of the Advertising Distributor system;
 - determining the winner in promotions conducted by Advertisers (third parties who have a contractual relationship with the Advertising Distributor, whose goods and services are advertised in mailings);
 - analysis of the Client's purchasing characteristics and provision of personal recommendations;
 - informing the client about promotions, discounts and special offers of Advertisers through email newsletters.
- The Advertising Distributor undertakes not to transfer information received from the Client to third parties. It is not considered a violation for the Advertising Distributor to provide information to agents and third parties acting on the basis of an agreement with the Advertising Distributor to fulfill obligations to the Client and only within the framework of the agreements. The transfer by the Advertising Distributor to third parties of data about the Client in an impersonal form for the purpose of assessing and analyzing the operation of the Advertising Distributor's system, analyzing the Client's purchasing characteristics and providing personal recommendations is not considered a violation of this clause.

- The transfer of information in accordance with reasonable and applicable requirements of the legislation of the Russian Federation is not considered a violation of obligations.
- The advertising distributor has the right to use “cookies” technology.

Cookies do not contain confidential information and are not transferred to third parties.

- The advertising distributor receives information about the Client’s IP address and information about the link from which Internet site he came from. This information is not used to identify the visitor.
- When processing personal data, the advertising distributor takes necessary and sufficient organizational and technical measures to protect personal data from unauthorized access to it, as well as from other unlawful actions in relation to personal data.
